

AIN'T NO HIGH FLYER

Cloudy on its way. Has no place to stay.
Cloudy on its move, sit down on my roof.
Temporarily slow. I want you to know,
id rather be you .

Ain't no high flyer.
Ain't no high tryer.
Ain't no low liar.
Ain't no tear crier.

Cloudy took a sun. Daughter of a gun.
Cloudy took a star, but the star was too far.
Temporarily slow. I want you to grow.
Id rather been in you.

Cloudy on a trip. Cloudy on a hip.
Temporarily slow, I want you.
